|-------------------------------|---------------------|---------------------|
| Plenary                       | Workshops           | Oral Communications |
| Award Ceremony                | Rapid Fires         | Networking Event    |
| Exhibit Break/ePoster Viewing | Supported Symposium | Meetings            |

| Thursday, 22 May 2025 |   |   |
|-----------------------|---|---|
|                       | Hall A  | Hall B  |
| 08:00 - 13:00         | 8:00 Welcome Coffee / Networking  | 8:00 Welcome Coffee / Networking                                      |
|                       | Ultrasound Workshop   | Nurses' & HCP Workshop  |
|                       | Short 10 - 15 min Break   | Short 10 - 15 min Break   |
|                       | Short 20 min Break  | Short 20 min Break  |
|                       | Short 20 min Break  | Short 20 min Break  |
| 13:30 - 16:30         | EU Chapter Presidents' Meeting  |   |
| 17:00 - 18:30         | Opening Plenary   |   |
| 17:00 - 17:15         | Opening Words   |   |
| 17:15 - 17:40         | Next Generation in Neuromodulation  |   |
| 17:40 - 18:05         | From Ancient Anatolia to Modern Medicine: A Journey through Medical History |   |
| 18:05 - 18:30         | Artificial Intelligence in Neuromodulation Therapy                          |   |
| 18:30-19:30           |   | Premium Sponsored Symposium<br>Not included in the main CME/CPD event |
| 19:30                 | INS European Congress Opening Reception<br>in the Exhibition Area           |   |

| Friday, 23 May 2025 |  |   |   |
|---------------------|--|---|---|
|                     | Hall A   | Hall B  | Hall C  |
| 08:00 - 09:00       |  | Morning Sponsored Symposium<br>Not included in the main CME/CPD event                             |   |
| 09:00 - 10:30       | <b>Plenary I</b>   |   |   |
| 09:00 - 09:25       | Socioeconomic Impact and Cost-Effectiveness of Neuromodulation in Healthcare Systems |   |   |
| 09:25 - 09:50       | Neuromodulation Techniques for Treating Spinal Pain PSPS                             |   |   |
| 09:50-10:20         | Debate<br>Trial Period SCS<br>Myth or Fact: To Trial or Not to Trial                 |   |   |
| 10:20 - 10:30       | Panel Discussion + Q&A   |   |   |
| 10:30 - 11:00       | <i>Coffee Break, ePoster Viewing &amp; Exhibits</i>                                  | Product Theatre in the Exhibition Area<br>Not included in the main CME/CPD event<br>10:30 - 11:00 | <i>Coffee Break, ePoster Viewing &amp; Exhibits</i> |
| 11:00 - 13:00       | <b>Plenary Session II</b>  |   |   |
| 11:00 - 11:20       | Clinical Guidelines in Neurological Approach to Movement Disorders                   |   |   |
| 11:20 - 11:40       | Current Status of DBS in Movement Disorders  |   |   |
| 11:40 - 12:00       | Advanced Programming in DBS  |   |   |
| 12:00 - 12:20       | Microelectrode Recording in DBS: Benefit or Waste of Time?                           |   |   |
| 12:20 - 12:40       | Double Target DBS on Rare Tremor Types   |   |   |
| 12:40 - 13:00       | Panel Discussion + Q&A   |   |   |
| 13:00 - 14:30       | <i>Lunch, ePosters Viewing &amp; Exhibits</i>  | Lunch Supported Symposium<br>Not included in the main CME/CPD event<br>13:15 - 14:15              | <i>Lunch, ePosters Viewing &amp; Exhibits</i>       |
| 14:30 - 16:00       | <b>Plenary Session III</b>   |   |   |
| 14:30 - 14:50       | Best Practices / Pearls in Refractory Angina Pain                                    |   |   |
| 14:50-15:10         | Neuromodulation in Peripheral Vascular Disease: When, Where, Outcomes?               |   |   |
| 15:10-15:30         | Neuromodulation in Rare Disorders: Alzheimers, Obesity, Tinnitus, Sexual Dysfunction |   |   |
| 15:30 - 15:50       | Transforming Lives Early: Neuromodulation Techniques in Pediatric Care               |   |   |
| 15:50-16:00         | Panel Discussion + Q&A   |   |   |
| 16:00-16:30         | <i>Break, ePoster Viewing &amp; Exhibits</i>   | Product Theatre<br>(16:00 - 16:30)<br>Not included in the main CME/CPD event                      |   |
| 16:30-17:30         | <b>Plenary Session IV</b>  |   |   |
| 16:30 - 16:50       | Diagnosis, Differential Diagnosis and Treatment Algorithm in Chronic Pelvic Pain     |   |   |
| 16:50 - 17:10       | Advances in Treatment of Chronic Pelvic Pain and SNS                                 |   |   |
| 17:10 - 17:30       | DRG in Chronic Pelvic Pain Management: Standalone or Multimodal Solution             |   |   |
| 17:30 - 17:35       | <i>Break to change halls</i>   |   |   |
| 17:35 - 18:35       | Oral Communications 1  | Oral Communications 2   | Oral Communications 3                               |
| 18:35 - 19:05       | Reception for Young Neuromodulators' and Women (of all ages) in Neuromodulation      |   |   |

| Saturday, 24 May 2025 |  |  |  |
|-----------------------|--|--|--|
|                       | Hall A   | Hall B   | Hall C                                   |
| 06:30 - 07:30         | Networking Event - NeuroRun  |  |  |
| 08:00 - 09:00         |  | Morning Sponsored Symposium<br>Not included in the main CME/CPD event                    |  |
| 09:00 - 10:40         | Plenary Session V  |  |  |
| 09:00 - 09:20         | Longterm Outcomes of Spinal Cord Stimulation in Neuropathic Pain   |  |  |
| 09:20 - 09:40         | Advances in Radiofrequency in Treatment of Back Pain   |  |  |
| 09:40 - 10:00         | Peripheral Nerve Stimulation in Headache - Facial Pain   |  |  |
| 10:00 - 10:20         | Invasive Treatment Strategies in Central Pain  |  |  |
| 10:20 - 10:40         | VNS  |  |  |
| 10:40 - 11:15         | Coffee Break, ePoster Viewing & Exhibits   | Rapid Fire Sessions in the ePoster Area  | Coffee Break, ePoster Viewing & Exhibits |
| 11:15-12:15           | Plenary Session VI   |  |  |
| 11:15 - 11:35         | IDD for Chronic Pain: Patient Selection, Follow-Up   |  |  |
| 11:35 - 11:55         | IT Novel Agents in Chronic Pain Management   |  |  |
| 11:55-12:15           | Neurodestructive Procedures for Pain Management :<br>Radio Surgical Thalatomy, Motor Cortex Stimulation, RF Lesioning  |  |  |
| 12.15-13:15           | Plenary Session VII  |  |  |
| 12.15-13:15           | Why do we Need a European Registry?<br>How Can we Achieve our Goal?<br>Lessons from the Pioneering Experience from NSUKI<br>Major Challenges and How to Deal with That?<br>First Data from 21 Countries and 70 Centres / eINS-R Phase 1<br>Discussion, Next Steps and Site Enrollment for Phase 2<br>Panel of Speakers |  |  |
| 13:15 - 14:30         | Lunch, ePoster Viewing & Exhibits  | Lunch Supported Symposium<br>Not included in the main CME/CPD event<br>13:30 - 14:30 TBC | Lunch, ePoster Viewing & Exhibits        |
| 14:30 - 15:55         | Plenary Session VIII   |  |  |
| 14:30 - 14:50         | Latest Insights on DBS Targets and Long-Term Outcomes in Psychiatric Disorders   |  |  |
| 14:50 - 15:10         | DBS in Major Depression and Addiction  |  |  |
| 15:10- 15:30          | Unlocking Synergy: Evidence-Based Medicine in Simultaneous Spinal Cord and Dorsal Root Ganglion Stimulation  |  |  |
| 15:55-16:30           | Coffee Break, ePoster Viewing & Exhibits   | Rapid Fire Sessions in the ePoster Area  | Coffee Break, ePoster Viewing & Exhibits |
| 16:35- 17:35          | Oral Communications 4  | Oral Communications 5  | Oral Communications 6                    |
| 17:35 - 17:40         | Break to change halls  |  |  |
| 17:40 - 18:40         |  | Closing Plenary Session  |  |
| 17:40 - 18:05         |  | Reimbursements Challenges - Where do We Stand?   |  |
| 18:05 - 18:30         |  | Neuromodulation Horizons   |  |
| 18:30- 18:50          |  | European INS Award + Closing Ceremony  |  |
